Crossover Ccat Test Answers

CCAT Practice Test #1

The CCAT exams contains 50 questions and the time allotted is 15 minutes.

Most people do not succeed in solving all of the questions in this time frame, but try to be as quick as you can and provide the maximum number of correct answers possible.

Using a calculator or any other external device is forbidden, but make sure you have some scratch paper and pen or pencil to assist you in your calculations.

Good luck!!!
